GitHub | San Francisco, CA

June 2026 – Present

Integrated Growth Marketing Intern (Return Offer)

Stride | Remote

September 2025 – April 2026

Marketing Intern

- Designed **50+** branded assets across web and internal channels, boosting brand consistency across national education campaigns
- Led meetings with **15** stakeholders across multiple states, translating insights into revisions that reduced revision cycles by **2** weeks
- Audited **120** campaigns and staff pages, uncovering brand and UX gaps that built a scalable content framework for future marketing

GitHub | San Francisco, CA

June 2025 – September 2025

Integrated Growth Marketing Intern

- Created content across Instagram, X, LinkedIn, TikTok, and Bluesky, ranking **#1** in company-wide engagement for June and July
- Delivered a **22**-slide competitive brand analysis across YouTube, Reddit, and Bluesky, shaping GitHub's organic social strategy
- Synthesized **8,000,000+** impressions across **5** platforms into an executive report that drove strategic shifts in content direction

Kovilea | Irvine, CA

June 2024 – November 2024

Product Marketing Intern

- Produced viral short-form TikTok and Instagram content driving **5,000,000** lifetime views and strengthening brand visibility
- Partnered with **5+** brands such as MiracleMoo and Special Breed to generate **\$95,000** in sales on TikTok Shop and Amazon
- Mastered strategies in content creation such as hook, storyline, and framework resulting in viral content with millions of views

LEADERSHIP EXPERIENCE

Alpha Kappa Psi | University of California, Irvine

Executive Vice President

June 2025 – June 2026

- Administered **\$20,000+** in chapter transactions via Venmo and completed **3** quarterly audit reports with zero discrepancies
- Launched **3** new retreat locations and executed bonding events with **90%+** turnout, bridging the active body through programming
- Managed daily communication across **6** executive leaders, aligning initiatives and improving information flow chapter-wide

Vice President of Chapter Operations

December 2024 – June 2025

- Tracked weekly attendance for **45** chapter members using Excel, leading to an increase in participation transparency
- Integrated Spotify's Web API into the chapter website, capturing real-time song preferences driving a **30%** lift in site interactions
- Standardized internal operations by creating and maintaining **4** tracking systems for attendance, sign-ins, and member progress

Pro-Bono Consultant

April 2024 – December 2024

- Raised **\$2500+** profit via pop-up shops by analyzing student preferences, forecasting sales, and maximizing profit margins
- Pitched a **40**-page business plan with product design and timeline, operation outline, and tech specs to venture capitalists
- Overhauled a small business by specifying market research, SWOT/ROI analysis and forecasts in a **10**-page marketing plan

Design @ UCI | University of California, Irvine

Product Marketing Committee

September 2024 – May 2025

- Spearheaded **20+** outreach initiatives to secure corporate sponsorships for Design-a-thon, the largest design competition on campus
- Organized a budgeting agenda for a multi-day campus competition with over **500** participants from all academic levels
- Collaborated in a **10**-person group while delineating tasks for cold emailing and cold calling at least **3** companies a week
